Summer Day Camp

Ages K5-5th Grade

Hours

7:00am-6:00pm

Monday-Friday

During the day, we have planned activities as well as free choice activities within the specific age groups. We have weekly Character Education lessons as well as Bible Time which usually coordinates with our Character Education lessons. We also offer opportunities for special activities within our camp such as art classes and other specialty classes that may be offered throughout the summer session.

We take weekly field trips and have swimming outings once a week.

Thank you for choosing our Afterschool Program. We are excited to offer an engaging, educational and fun experience for children in our community. We have prepared an exciting schedule of activities to provide children with an environment that will foster skills and relationships that will last a lifetime. It is our goal to aid them in their overall development; in their social, emotional, physical and spiritual growth and work to instill a positive self-image as they grow and mature in their lives. We want them to know that they are respected here.

We look forward to the opportunity to share in our child's life. We consider it a privilege that you entrust us with the care of your child
